The Citizens' Commission on Jail Violence (CCJV) was created by the Board of Supervisors to "conduct a review of the nature, depth and cause of the problem of inappropriate deputy use of force in the jails, and to recommend corrective action as necessary." The Board also made clear that "it shall be the task of the Commission to restore public confidence in the constitutional operation of our jails."

In furtherance of its mission, the Commission has scheduled a **Community Forum Event** to be held on **Wednesday, May 30th at 6:00 pm**. This forum will provide an opportunity for members of the community to learn about the work of the CCJV and also offer perspectives that might enlighten the Commission's work.

CCJV Chair Lourdes G. Baird, Vice Chair Cecil L. Murray, Commissioner Alexander Busansky and Executive Director Miriam Aroni Krinsky, as well as other Commission staff, will be present to discuss the Commission's work and timeline and to listen to the perspectives of members of our community. Attendees will be given the opportunity to address the Commission in regard to concerns or recommendations they may have in regard to the Commission's focus -- alleged excessive use of force by deputies against County jail inmates.
